

## Borealis Friendship Soup Mix Labels

*Directions: Remove pasta packet and set aside. Brown 1 lb. ground beef or turkey with black pepper and garlic powder to taste. Add a 28 oz. can of diced tomatoes (with juice), 3 tbsp of tomato paste, 3 quarts water, and soup mix. Bring to a boil, then reduce to low. Cover and simmer for 50 minutes. Add pasta and cook 10-15 minutes, or until pasta is tender.*

I printed the round label and directions square on full sheet label paper and applied to jar. You could print the blank tags on cardstock to create a gift tag to tie on. The label designs are originally from [Lovely Designs](#).
